Rahul Iyer

rahul.iyer@example.com

Education

- B.E. Computer Engineering, 2027. CGPA: 8.2/10

Skills

- Python, SQL, R
- Machine Learning, Deep Learning, NLP
- PyTorch, scikit-learn, Pandas, NumPy
- Data Visualization, Statistics, Spark

Experience

- Data Science Intern, Swiggy (2026): demand-forecasting model with gradient boosting; improved MAPE by 12%.

Projects

- Resume Classifier: fine-tuned a transformer for job-category classification (NLP).
- Fraud Detection: anomaly detection on 1M transactions with scikit-learn and Spark.
